Joint Staff Alcohol and Substance Abuse Prevention - (1hr)
Substance abuse is a serious public health problem that affects almost every community and family in some way. Each year substance abuse results in around 40 million serious illnesses or injuries among people in the United States. Abuse of tobacco, alcohol, and illicit drugs is costly to our nation, exacting over 600 billion dollars annually in costs related to crime, lost work productivity, and health care. In this course, you will look closer at a range of drugs and drug abuse that is affecting people in this country.
Start - To begin the course, click the Start button in the header bar. Some courses may require a subsequent click of the Next Lesson button in order to begin.
Resume - If you are re-entering the course, click the Resume button to access your previous location in the course.
Navigation - Navigation controls are generally located in the following areas:
Top header bar - Contains the Previous Lesson, Next Lesson, Suspend Lesson, Help, and Exit Course buttons. (Some courses may not have all of these items available on the top header bar.)
Table of Contents Tree - Contains a listing of all lessons and exams.
Content area - Contains the Next (or Continue) and Previous (or Back) buttons.
Icons (Arrows) are sometimes available to navigate within a course.
Header Bar - Use the Next Lesson button to access the next required lesson (when available).
Pages - Use the Next (or Continue) button in the content area to access each page in the lesson.
Outline - Use the links in the Table of Contents Tree to access an item that is active.
In-Progress lessons and tests are indicated by half-colored circles, while full completion of lesson and tests are indicated by a green checkmark.
Access to some of the completed items, such as tests, might be disabled after completion of the item.
After the completion of the course (graduation), the course content is accessible to you at anytime.
Click the Expand/Collapse Tree links to change the view of the Table of Contents Tree.
Suspend - Use the Suspend Lesson button to bookmark your current progress in the course.
Exit - Use the Exit Course button to bookmark your current location and to close the course window.
Lesson Exit - Use the Exit button (when available) on the content menu bar, followed by the Next Lesson button on the header bar to achieve chapter or lesson completion in certain courses. All chapters, modules and lessons must be completed to receive certification.

Ensure that you have your speakers turned on.
